DIRECTOR'S MESSAGE

Dear Colleagues and Friends,

It's an absolute pleasure to welcome you to the 18th World Litigation Forum 2024 Europe, which will be held in the vibrant city of Barcelona, on September 25-26, 2024.

On behalf of the World Litigation Forum, we are thrilled to reunite this prestigious community. Hosting the event in Barcelona, a city rich in culture, history, and innovation, sets the perfect stage for us to connect, learn, and grow together as legal professionals.

The past few years have continued to challenge us all, with the world evolving rapidly—legal systems being no exception. From technological advancements to geopolitical events, we've seen firsthand how these changes reshape our industry. Despite these challenges, your dedication and determination have been unwavering, and your presence here is a testament to the resilience and commitment of the global legal community. Thank you for being a crucial part of this journey.

Our participants at the World Litigation Forum include a distinguished group of litigation professionals such as law firm partners, in-house counsels, corporate executives, and private practice attorneys. We also welcome leaders from litigation support companies, global legal professionals, policymakers, and legal technologists, forming a strong network to shape the future of dispute resolution and legal practice.

A special thank you to our esteemed sponsors—CLIO, Menteso, Patent Drawing, Prior Art, and IIPLA—for their invaluable support in making this event possible.

As we gather over these two days, I encourage each of you to take full advantage of this unique opportunity to share insights, foster new connections, and collaborate on solutions that will shape the future of litigation. Engage with your peers, explore innovative ideas, and absorb the rich knowledge that will be shared.

I look forward to meeting many of you and hearing about your incredible work. Let's make this forum a catalyst for progress and an unforgettable experience here in beautiful Barcelona.

Wishing you all a productive and rewarding event.

Warm regards,

Azam Ghani
